About the Major

Students pursuing the Bachelor of Music (B.M.) in Music Performance (<http://catalog.ysu.edu/undergraduate/colleges-programs/college-creative-arts-communication/school-music/music-performance/>) in Voice have a broad range of opportunities to participate in diverse coursework and world-class performances that provide professional training as soloists and ensemble members. Examples include multiple annual opera productions with live ensembles, solo recitals, concerto competitions, Dana Chorale, Musical Theatre productions, Jazz Ensemble and Combos, and Contemporary Ensembles. Chamber ensembles provide students the chance to form groups that explore varied literature and entrepreneurship, and many groups actively play gigs and concerts throughout the region.

Our students regularly win regional, national, and international recognition in performance and garner competition awards. They routinely perform as artists and chamber musicians at summer music festivals in the U.S. and abroad and are accepted to prestigious graduate programs around the country and across the globe.
